ORDERS BY THE GOVERNOR OF ASSAM
NOTIFICATION

Dated Dispur, the 5th December, 2017

No.CI. (I-Cell) 14/2016/78: The Governor of Assam is pleased to enunciate the "Sugar Policy Assam, 2017" w.e.f. 01.01.2018. This Policy would be valid for 15 (fifteen) years i.e. upto 31st December, 2032.

Sd/-
(Ravi Capoor, IAS)
Additional Chief Secretary to the Govt. of Assam,
Industries & Commerce Department

1.0 Objectives:

The basic objective of the Policy is to initiate Sugarcane cultivation in the State as well as to assist the new cogeneration Sugar Mills which are to be set up in the State. The Government of Assam is committed to generate more and more rural employment through cultivation of Sugarcane as well as setting up of new cogeneration Sugar Mills. Setting up of new Sugar Mills will also help the State to generate additional power. This Policy shall remain in force and will be applicable to sugar factories which commence production between 01/01/2018 and 31/12/2022 and the State Government proposes to provide some incentives for the benefit of farmers and Sugar Mills in the State through the Policy.

To achieve the objectives of the Policy, the Government of Assam proposes to take up the following activities, viz:

A. In Farming Sector

The Agriculture Department will create a Sugarcane Development Agency (SDA). The SDA shall consist of a representative from the Industries & Commerce Department apart from officers of Agriculture Department. The SDA shall take up the following activities, viz:

- (1) A detailed survey of Sugarcane growing areas, assessment of soil and climatic conditions, procurement of appropriate quality of planting materials, arrangement of customized fertilizers and pesticides, assessment of the requirement of water through various modes of irrigation system, measures for pre–and post harvest management, transportation of materials, setting up of multi locational field testing laboratory, etc.
- (2) Establishment of technical linkages (i.e. tie–up) with the Assam Agriculture University, Sugar Research Stations, Indian Institute of Sugarcane Research (IISR), Lucknow , etc for development of high yield varieties of Sugarcane with high recovery, etc.
- (3) Establishment of commercial linkages (i.e. tie–up) up with the manufacturers and service providers of customized fertilizers for the farmers, etc.
- (4) Assessment of cost of production of Sugarcane, etc
- (5) Conduct of massive awareness programmes in the State, engagement of Farmers Producers Organizations (FPO), creation of SHGs for Sugarcane cultivation, etc.
- (6) Training of farmers on modern technology of farming, use of fertilizers and pesticides, modern tool for harvesting, uses of IT tools, accounting, etc.
- (7) Exploration of the possibilities of providing assistance to the farmers through various schemes under implementation through the State/Central Government departments for development of Sugarcane Cultivation in the State.
- (8) Preparation of scheme to provide financial assistance to the farmers for Sugarcane cultivation, etc.

B. In Milling Sector:

A Separate Cell shall be created under the Industries & Commerce Department to promote Sugar Industries in the State. This cell shall take up the following activities, viz:

- (1) Identification of suitable land for the new Sugar Mills in a location where the sugarcane is available sufficiently to feed up a mill not below 2500 metric tons crushing capacity per day.
- (2) Arrangement of Investors' Meet to invest in Sugar Mills in the State.
- (3) Continuous interaction with the Sugar Development Agency (SDA) for feedback on various programmes, issues, etc.
- (4) Exploration of all the possibilities to assist the Mills through various ongoing schemes of Central/State Government.
- (5) Provision of handholding support to set up the Mills within a specific time frame.
- (6) Provision of assistance to get various clearances, NOCs, permissions, power sanction, as the case may be, in time.
- (7) Establishment of commercial linkages (i.e. tie-up) with major users of Sugar, e.g. Coca Cola, Pepsi, ITC, Britannia, etc for procurement of sugar as well as for helping the Farmers through their CSR funds.

3.0 Minimum Support Price:

The State Government shall follow the 'Fair and Remunerative Price (FRP)' declared by Government of India. The State Government also assures that it will not declare the price of sugarcane above FRP declared by Government of India up to 31/12/2032. To achieve the objectives of the Policy, the Government of Assam proposes to take up the following activities, viz:

4.0 Purchase of Sugarcane in Reserved Area:

1. The State Government shall declare a catchment or reserve area of 30 Kms radial distance for each mill, for the procurement of sugarcane by the mills set up in Assam. The sugar mill has to procure all the produce of farmers within its catchment/reserved area.
2. A sugarcane-grower in reserved area may sell sugarcane grown to the occupier of the factory to which the area is so reserved.
3. No other sugar factory other than the factory aforementioned shall purchase or enter into an agreement to purchase sugarcane grown by the sugarcane grower in the reserved area.

3.0 Minimum Support Price:

Following are the incentives propose to be provided, under the Policy :

1. For development of Sugarcane Cultivation in the State, a Corpus Fund of 50 crore shall be created under Sugarcane Development Agency (SDA) of the State; and all issues relating to sugarcane cultivation shall be looked after through this fund. Separate workable guidelines shall be issued for efficient use of the fund for production of Sugarcane to reach the National Average Production per hectare.
2. Following are the incentives proposed for the Sugar Mills:
 - (1) Reimbursement of interest on term loan obtained from the Nationalized Banks/ Financial Institutions under Government / Sugar Development Fund, as the case may be, for a period of 5 years subject to the following:
